Journal - Office of Legislative Counsel  
Tuesday - 18 August 1970

Page 2

25X1A 6. (Confidential - LLM) Senator Barry Goldwater (R., Ariz.)  
called and in a very agreeable manner asked if we had contacted Boyd  
Edwards whom he had earlier referred us to as having some interesting  
information on the situation in Burma. Later, based on discussion with  
Messrs. [REDACTED] of FE Division, and with the quick support  
25X1A of Mr. [REDACTED] of DCS, I called Judy Rooney, the Senator's personal  
secretary, and told her that we were aware of the activities of the person-  
alties which had come to Edwards' attention but that we are glad to meet  
with Edwards and have an appointment with him. Miss Rooney said the  
Senator would be very pleased to hear this.

7. (Unclassified - JMD) Mae Sykes, Congressional Liaison Office  
of State Department, called to say she had received a request from Louise 25X1A  
O'Brien, House Foreign Affairs Committee staff, for a list of the names of  
cabinet members of all the African countries. She asked that this listing be  
up to date. Miss Sykes asked us if she could have permission to send  
Miss O'Brien a copy of CIA's publication [REDACTED] After checking  
with Information Services Group of CRS, Miss Sykes was informed that she  
could send the publication after removing the cover (which identifies it as  
a CIA document).

8. (Secret - GLC) Met with Ed Braswell, Chief of Staff, Senate  
Armed Services Committee, and briefed him on an Agency activity in  
connection with the Middle East situation, emphasizing particularly the  
sensitivity of the Agency's role and the fact that all policy aspects were  
in the hands of the State Department.

I also informed Braswell of Chairman Rivers' position with respect  
to our legislative package on retirement. I discussed with Braswell the  
advisability of a single bill which would cover only our retirement ceiling.  
He saw no advantage to our abandoning our other legislative proposals  
unless we were in an absolute crisis on the ceiling, which is not the case  
at the time. It was agreed that we would discuss this further when the  
press of military procurement legislation is out of the way.
